This product may be used to formulate products for specific uses not listed on the MP label if the formulator, user group, or grower has complied with US EPA data submission requirements regarding support of such uses. This product may not be used or referenced as a source of ingredient in the formulation, manufacture, or registration of any products without prior written authorization from Zocor.</p> <p align="center"><b>STORAGE AND DISPOSAL</b></p> <p>Do not contaminate water, food or feed by storage or disposal.</p> <p><b>Storage:</b> Protect from heat. For guidance, contact your regional office of the US Environmental Protection Agency.</p> <p><b>Pesticide Disposal:</b> Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.</p> <p><b>Container Handling:</b> Nonrefillable container. Do not reuse or refill this container. Triple rinse container (or equivalent) promptly after emptying. Triple rinse as follows: Empty the remaining contents into equipment or a mix tank and drain for 10 seconds after the flow begins to drip. Fill the container % full with water and recap. Shake for 10 seconds. Pour rinsate into equipment or a mix tank or store rinsate for later disposal. Drain for 10 seconds after the flow begins to drip. Repeat this procedure two more times. Then offer for recycling or reconditioning, if appropriate, or puncture container and dispose of in a sanitary landfill or by other procedures approved by state and local authorities.</p>
